Sir:

In response to the Office Action dated **October 30, 2003**, Applicant provides the following remarks.

Claims 1-27, all the claims presently pending in the application, stand rejected on prior art grounds. Claims 1 and 22-23 stand rejected under 35 U.S.C. § 102(e) as being anticipated by Chen, et al. Chen, el. ("Chen") and Minami, el. ("Minami") have an effective date for prior art purposes of July 14, 2000, and December 13, 1999, respectively. Accordingly, to speed prosecution, Applicant encloses herewith a verified translation of the priority document in order to remove Chen and Minami as prior art references.

In view of the foregoing, Applicant submits that claims 1-27, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
